Dear Alumni,

Things are happening at Bishop Walsh and we want our alumni to know – things like Building and establishing our own identity as the BW Alumni Association under the umbrella of the W.M.C.S.A.A.

Knowing about these and other important events are sure to make you as proud of BW as we are.

To help us get the word out about what is going on at Bishop Walsh School, we are asking you to consider being a Captain for your class. We are setting up a committee of two class representatives from each year to do the following:

- Establish an up-to-date BW class list with email addresses.

If you cannot accept this invitation, we would appreciate it if you could provide us with the name of someone else from your class who might be able to help with this project.

We would like to invite you to a meeting for all the Class Captains to:

- Explain more about our mission.
- Provide updates on what is happening at Bishop Walsh.
- Go over future plans.
- To update our email address database.

Please let either Sister Phyllis McNally or Ray DiGilaro know if you are interested in assisting BW with this matter. You can call school at 301-724-5360 for Sister Phyllis or email Ray at [rdigilaro@bishopwalsh.org](mailto:rdigilaro@bishopwalsh.org) . We appreciate having your email address and hope you will help us in this project in getting emails of all alumni of each graduating class.

Thank you for your attention to this letter. We look forward to hearing from you soon.

Sincerely,

Sister Phyllis McNally, SSND
