The Bradey J. Loffert Memorial Scholarship was established by Bradey's family and friends to honor his life and legacy by supporting a Bishop Walsh high school student with a generous contribution toward their current year's tuition.

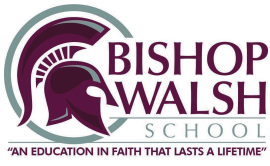

Bradey was a proud third-generation graduate of Bishop Walsh School (Class of 2002), where he was known for his leadership, kindness, and passion for life. After high school, Bradey earned his degree from the West Virginia University College of Business and Economics, where he was recognized on the Dean's List of Outstanding Scholars. He went on to have a successful career as both a Certified Financial Planner and a Licensed Underwriter, inspiring others through his professionalism and integrity.

As we look ahead to the 2026–2027 academic year, the BJLMSF Board is excited to award this scholarship to a deserving student entering grades 9–12 who:

- Demonstrates leadership in school or the community
- Embraces life with purpose, positivity, and passion
- Inspires others through their character, effort, and example

A key expectation of all scholarship recipients is a commitment to “giving back”—to the Bishop Walsh community and to others who have supported and shaped their journey. We believe that generosity should come full circle, and we hope our recipients will carry that value forward throughout their lives. We look forward to learning more about you and how you hope to honor Bradey's legacy.

To apply, please review all requirements and submit your completed application to the Bishop Walsh School office, or email it directly to the Board of Directors at BJLMSF@gmail.com.
