Tentative Bus Information 2016-2017

No one may ride the bus unless they are registered with the school bus service. This includes if your child wants to bring a friend home, unless that child is already a bus rider, he/she cannot ride the bus.

Below are possible routes for the Bishop Walsh Transportation Program. All are subject to change depending upon the number of riders and availability of drivers. We invite you to examine these routes for transportation of your children for the 2016-2017 school year. These are a.m. routes (p.m. is reverse). If you wish to sign up, please complete the transportation form and return it by August 12th, 2016. You will be notified via email if the bus does not run for this school year.

All past riders and future riders must be registered to ride the bus. Make no assumptions that the bus will pick up your child if you have not registered.
