- 1.
2. Go to **khanacademy.org**
3. Click **Login** in top right corner

4. Enter username and password.

Username:

Password:

The image shows the Khan Academy login form. On the left, there is a dark blue sidebar with the text 'Login', 'Good to see you again!', and 'By logging into Khan Academy, you agree to our Terms of use and Privacy Policy.' On the right, there is a light blue form with the following elements: four social login buttons (Continue with Google, Continue with Clever, Continue with Facebook, Continue with Apple), a note '* indicates a required field.', an 'Email or username' field with the value 'danielamyot', a 'Password' field with masked characters '*****', a 'Forgot password?' link, a blue 'Log in' button, and a 'Create an account' link at the bottom. A large red arrow points down to the password field.
